VELUX®

Venting Deck Mount (VSE / VS) - The No Leak Skylight

VSE (Electric Venting Skylights)

The perfect daylighting solution for overhead applications. It brings in abundant natural light and opens to let in fresh air with the touch of a button. And it closes automatically in case of rain.

VS (Manual Venting Skylights)

An economical solution for brining natural light and fresh air into the home, the VS skylight also contributes to a home's proper moisture balance and comfort level by allowing stale, humid air to be released.

GLAZING

- **ComfortPlus** (Laminated Low-E)

- **Comfort** (Tempered Low-E)
- **ComfortPlus** (Laminated Low-E)

SUNSCREENING ACCESSORIES

- **DMH** Electric blackout blinds

- **ZMT 300 6'-10'** Motorized Rod

FLASHING SYSTEMS

- **EDL** Step Flashing with adhesive underlayment
- **EDW** High Profile Flashing with adhesive underlayment
- **EDM** Metal Roof Flashing with adhesive underlayment

The No Leak Skylight - 3 layers of water protection

- 1 The pre-attached deck seal provides an extra seal between the frame and roof deck for a leak-proof installation.
- 2 Adhesive underlayment for secondary water protection against the harshest weather conditions.
- 3 Engineered flashing for easy installation and primary water protection.

SUNSCREENING ACCESSORIES

FLASHING SYSTEMS

EDL (Shingles/Shakes)

- *Step flashing pieces interweave with roofing materials for proper water drainage.*
- *No caulk or sealants are needed.*

EDW (Tile)

- *Sill flashing features pliable pleats that form to most types of tile.*
- *Side and head flashing pieces form a gutter to direct water away from the skylight.*

EDM (Metal)

- *Flashing pieces interlock with roofing material for a fast, weathertight installation.*
- *Sill apron features pliable pleats that form to the roof.*

Fixed Deck Mount (FS) - The No Leak Skylight

The FS skylight is designed for deck mounted installations and is perfect for visually expanding areas such as hallways, stairwells and other dark spaces. It provides an economical choice in creating a spacious home that is filled with natural light.
